

# TRAVEL TO CAMPUS THE OTHER WAY

## The campaign

Well done!

Important visitors

### TRAVEL TO CAMPUS THE OTHER WAY

"As a lifelong motorist, I was not a fan of using public transport, but after the first week I was a convert. So join the pilot and experience for yourself the joys of travelling to campus another way. Who knows, after those eight weeks you might be just as pleasantly surprised as I was."

Nicooly Vermeulen, Vice-President Operations TU Delft
